

**Call for Abstracts for Oral Presentations and Posters
Western Bird Banding Association 2022 Annual Meeting
14 – 17 September 2022 University of California, Davis**

**Submission Deadline:
August 22, 2022**

We invite bird banders and ornithologists to present their work at the 2022 Western Bird Banding Association Annual Meeting to be held 14–17 September 2022 at the University of California, Davis. This in-person meeting offers a wonderful

opportunity for sharing and discussing scientific research centered on banding and monitoring birds. Presentations can be related to ornithological research with emphasis on bird banding, outcomes of studies, and bird monitoring. We invite submission of abstracts for consideration as either **15-minute oral presentations** or **poster presentations**.

All **15-minute oral presentations** and **poster presentations** will be delivered during scheduled paper or poster sessions 15 September–16 September 2022 at UC Davis. Oral presentations should be no more than 12 min. in duration, allowing for a question period

Abstracts should be limited to 250 words. In general, they should include 1–2 sentences of background information followed by 1–2 sentences stating the question or topic to be addressed, a brief summary of the methodology used, and a brief summary of the key results and interpretation. Be concise, be precise, use first person, and avoid statements that don't convey information (e.g., "results of our analyses will be discussed").

All abstracts for oral presentation and posters must be submitted by email to Andrew Engilis, Jr. (aengilisjr@ucdavis.edu) and CJ Ralph (cjralph@humboldt1.com). The deadline for abstract submission is **22 August 2022**. Emails should have as the Subject **WBBA 2022 Abstracts**

Send questions to Andrew Engilis, Jr. via email (aengilisjr@ucdavis.edu) also with the subject **WBBA 2022 Abstracts**.
